- GitHub

Technical Skills and Interest

Languages: Python, Java(Basic), HTML, CSS.

Technologies: MachineLearning.

Cloud/Databases: MySQL.

Soft Skills: Problem-solving, Teamwork, Leadership, Adaptability.

Coursework: Data Structures and Algorithms, Python 3 programming, Database and SQL.

Certifications/Trainings

• **Python Programming** through **Coursera** -Certificate	Jun-2023
• **Data Structure and Algorithm** through **Coursera** -Certificate	Oct-2023
• **Java(Basic)** from HackerRank - Certificate	Nov-2023
• **Database and SQL for Data Science with Python** from **IBM** through **Coursera** - Certificate	Apr-2023
• **Accenture Developer Virtual Experience program** - Certificate	Sep-2022
• **LeetCode** - Link	

Achievements

• Volunteer for **NASSCOM GENAI CONFLUENCE 2023**	Oct-2023
